## **Chapter 1-Vocation to the Kingdom of Heaven**

In his eternal goodness God offers the New Evangelization to all of humanity

The dialogue of God with the human race finds its reason for being in the synodal Church

The New Evangelization is at the integral service of the vocation to the Kingdom of Heaven

You must apply yourself to look towards the firmament with joy and witness your evolution

This vocation belongs to the precariousness of human existence and to the intelligence of grace

It is the present of divine mercy which is continuously distributed to all people

The Kingdom of Heaven results in fellowship with God and the brothers and sisters of all

The global economy of the world cannot free itself from solidarity and integral development

In the Church the kairos of ecclesial synodality is linked to intangible episcopal collegiality

Each subject of the People of God has a specific role in building the Kingdom of Heaven

As an assembly called by Jesus Christ the Church brings out the talents of all

The diversity of personalities is part of a solidarity dependence for the common good

The New Evangelization leads to drinking the water of life that irrigates the Kingdom of Heaven

With tenacity enthusiasm and self-esteem you must seek to

fulfill yourself through this vocation  
It provides a decisive meaning to your imperishable life by  
directing it towards the firmament  
It opens up to religious freedom for all and to the universal  
dimension of brotherly love  
You have it in you and you may not know it yet become an  
integrated person  
It gives you the possibility to move forward serenely and  
with safety towards an eternal future  
Through your discernment it guides your journey and allows  
you to overcome all temptation  
The New Evangelization carries within itself the stimulation  
of missionary fervor  
The vocation to the Kingdom of Heaven which is evident in  
you consecrates you to the truth  
No one is excluded from it and every human being is invited  
to appropriate it in order to live from it  
This vocation provides you with the means to navigate  
peacefully through the inferno of vices  
Obeying his conscience in truth causes man to blend into the  
New Evangelization  
It supports your full realization and teaches you not to  
succumb to the empire of money  
It goes in unison with your temperament while respecting all  
of its dimensions  
The universal mission of the Church is animated from  
within by the New Evangelization  
Primordial for any man the integral development conceives  
the human in its entirety

It responds to a specific role for each person accompanied  
by the necessary state graces  
It promotes a sense of effort spiritual tone equality of soul  
and unity of the person  
It is associated with the integral anthropology included in  
the New Evangelization  
Every inhabitant of every nation is advised to make it a  
primary concern  
It pushes to the refusal of the delight excessively devoted to  
fleeting sensual pleasures  
It guides you to take reasoned distances with certain  
questionable choices of the world  
The ultimate vocation of every man on the globe is a  
summons to blissful bliss  
As a disciple-missionary you must constantly feed it with  
firmness and prudence  
The Church penetrates anthropological circles to perfect  
integral christian education  
To be a sentinel on permanent alert is a requirement of the  
New Evangelization  
It advocates unconditional respect for life and solidarity and  
planetary humanism  
It opens you up to the infinite uncreated so that you can  
immerse yourself in it for a long time and in full  
The New Evangelization accompanies every effort of  
interior transformation of man  
The vocation to the Kingdom of Heaven which is evident in  
you consecrates you to the truth  
No one is excluded from it and every human being is invited
